1. What Are Cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored however this may downgrade or 'break' certain elements of the sites functionality. For more general information on cookies see the Wikipedia article on HTTP Cookies.

2. How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. Using the website innohub.space means that you accept the cookies needed for the functionality we are providing you with. It is your decision to disable the cookies or to let them on. If you decide to disable the cookies needed for the proper function of innohub.space PMC will not liable and you hereby accept that under no circumstances you will not make PMC liable for any direct and/or indirect loss you may suffer by not being able to use the functionality of innohub.space.

3. Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit.

Disabling cookies will usually result in also disabling certain functionality and features of the this site.

4. The Cookies We Set

Account related cookies
If you create an account with us then we will use cookies for the management of the signup process and general administration. These cookies will usually be deleted when you log out however in some cases they may remain afterwards to remember your site preferences when logged out.

Login related cookies
We use cookies when you are logged in so that we can remember this fact. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

Orders processing related cookies
This site offers e-commerce or payment facilities and some cookies are essential to ensure that your order is remembered between pages so that we can process it properly.

Forms related cookies
When you submit data to through a form such as those found on contact pages or comment forms cookies may be set to remember your user details for future correspondence.

Site preferences cookies
In order to provide you with a great experience on this site we provide the functionality to set your preferences for how this site runs when you use it. In order to remember your preferences we need to set cookies so that this information can be called whenever you interact with a page is affected by your preferences.

5. Third Party Cookies

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

- This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content (for more information on Google Analytics cookies, see the official Google Analytics page).
- We also use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For these to work (Facebook, Twitter, LinkedIn, Google, Github) will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.

6. More Information

Hopefully that has clarified things for you and as was previously mentioned if there is something that you aren't sure whether you need or not it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site. This Cookies Policy was created with the help of the Cookies Policy Template Generator and the Terms and Conditions Template. However if you are still looking for more information then you can contact us through our email: office@pmc-expert.com

7. Modifications

PMC shall reserve the right at any time it may deem fit, to modify and/or alter this Cookie Policy with or without prior notice. We shall not be held liable to you or to any third party for any such alteration and/or modification or any part thereof.
